the sale of a country is a riveting account of what took place behind the scenes at the canadian free trade negotiations office shrouded in a veil of secrecy clandestine meetings midnight shredding of briefing books and key working papers there was still time for the creation of a sex pit the man who was parachuted in by former prime minister brian mulroney to do the deed was a sexual predator his need for sex led to carelessness and bad judgment that almost destroyed the prime minister's plan to leave a legacy that he was the one who had achieved a free trade agreement with one of the world's most powerful countries the united states of america where everyone else had failed

africa is not a country for too long africa has been misunderstood in news reports popular media and even casual conversations the continent is often treated as if it were a single country a monolithic land with one language one culture and one experience but africa is not a country it is a vast complex and diverse continent home to over 1.4 billion people 54 countries thousands of languages and an incredible range of traditions histories and innovations this book aims to break the stereotypes and deepen our understanding of africa's richness from the bustling cities of lagos and nairobi to the serene landscapes of the sahara and the serengeti from the ancient civilizations of egypt and mali to the modern tech hubs of ghana and rwanda africa is a place of contrast resilience and evolution yet despite its diversity africa is often portrayed through a narrow lens one of poverty conflict and struggle while challenges exist so do stories of progress creativity and cultural dynamism that rarely make headlines this book is an invitation to look beyond the clichés and discover the africa that its people know a continent of innovation artistic excellence and profound historical depth through exploring its history politics economies and cultures africa is not a country will provide a fresh perspective on a continent that has shaped the world in countless ways whether you are new to learning about africa or seeking to challenge your own perceptions this book will serve as a guide to understanding the true essence of a continent that refuses to be defined by a single narrative

canadians view their healthcare recognized throughout the world as an exemplary system as iconic and integral to their identity in *toward the health of a nation* leslie boehm recounts the first seventy years in the life of one of the foundations of canada's healthcare system the institute of health policy management and evaluation at the university of toronto boehm a graduate of ihpme and an instructor there throughout his career charts the institute's history from its inception in 1947 as the department of hospital administration to the present day the first program of its kind in canada and one of the few in the world the school was founded at a time when the issue of healthcare was becoming a significant part of national and provincial discussions and policies initially concentrating on hospital management and professional degrees it has expanded to offer academic degrees and facilitate important research into health systems policies and outcomes in *toward the health of a nation* boehm demonstrates the excellence of the program its faculty and its graduates as well as their accomplishments in major government initiatives and royal commissions in the seventy years since ihpme's inception healthcare has grown to become a major part of government and business activity and it will only increase in coming years an in-depth history of a major program in graduate health education *toward the health of a nation* highlights how important healthcare is to a modern functional society

this book presents some very raw facts about the negative aspects of racism and the devastating effects it has on individuals municipalities

states the nation and indeed the world it covers a ten year period in the authors life presented autobiographically from 1940 to 1950 the story is based primarily on historical events as reported in the ex black weekly newspaper the pittsburgh courier the news articles are presented as parts of fictionalized dialogue between the author his young peers and older adult advisors most of the fictionalized accounts have some bases in truth but some did not occur in the sequence or to individuals as presented names of individuals reported in news media have not been changed nor have the names of family members and teachers names of townspeople have been changed although a real person existed for that character the primary goal of the book is to present true facts about the history of the disease based on a false premise of race that has caused so much suffering ignorance and despair over centuries in the hope that we will stop perpetuating it and let it die the ignoble death it deserves
